**September 28, 2007**

Mark your calendar for this annual good-time Discovery Museum fundraising event. This year's event will include a silent auction featuring creative furniture creations from local artists and a live auction featuring exciting getaways. Please call the Discovery Museum for ticket information. You won't want to miss this extravagant fundraising event. All proceeds go to children's programs at the Discovery Museum.

The Shenandoah Valley Discovery Museum offers an interactive, hands-on experience for families, which focuses on the sciences, mathematics, humanities, and the arts. Explore the exhibits in natural history, paleontology, simple machines, and art-in the making. Scale a climbing wall, race balls through loops and ramps in Raceways, step back in time to a life closer to nature in A Walk Along The Moccasin Trail or the pretend you're saving lives in the medical cove of Our Town. At the Discovery Museum to touch is to explore, to explore is to discover, and to discover is to learn!
