Ground Breaking Ceremony & 11th Anniversary Celebration

Winchester, VA 04/18/07 – Join the Discovery Museum as we celebrate the ground breaking of our new facility in Jim Barnett Park and our 11th anniversary. The “Ground Breaking” event will be held in Jim Barnett Park on Saturday, April 21st from 1-4p.m. The ground breaking ceremony will start at 1p.m. and the Birthday Celebration will follow at 2p.m. Our new Minotaur Maze exhibit will be unveiled for all to explore and learn about Watersheds, Wildlife, & Wonder. There will also be Face Painting & Bead Work by Plan Bee & Beads, a bubblegum blowing contest, Baskin Robbins ice cream, and refreshments provided by McDonalds. The event is FREE to everyone! Come help us celebrate!

The Shenandoah Valley Discovery Museum offers an interactive, hands-on experience for families, which focuses on the sciences, mathematics, humanities, and the arts. Explore the exhibits in natural history, paleontology, simple machines, and art-in the making. Scale a climbing wall, race balls through loops and ramps in Raceways, step back in time to a life closer to nature in A Walk Along The Moccasin Trail or the pretend you’re saving lives in the medical cove of Our Town. At the Discovery Museum to touch is to explore, to explore is to discover, and to discover is to learn!
